## MEDIA RELEASE

### Local author is a motorbike-riding daredevil

SANDY VAILE, a South Australian author of romantic suspense with robust heroines, is pleased to announce the release of her second novel, *Combatting Fear*, published by Simon & Schuster.

It's the story of a kindergarten teacher who hates everything money stands for, who is willing to risk everything to save one of her students from an outlaw motorcycle gang, even his wealthy father.

*Combatting Fear* was inspired by Sandy's fascination with the infiltration of outlaw motorcycle gangs in her own rural locale, and started with the query: How far would you go to save a child that wasn't yours?

The book was released on 13<sup>th</sup> February 2017 and is available from all good eBook stores, with a print-on-demand version from Amazon.com. For more information, visit
